

## FEDERAL COURT WILL CONTINUE

Judge Williams Proud of  
Results in 'Two Weeks'  
Term.

## WOODROUGH COMES

Special Term Is Fixed for  
McAlester to Clean Up  
the Big Docket.

One of the most successful terms of federal court ever held in this city adjourned over Sunday when Judge R. L. Williams and the court officers returned to Muskogee. In the two weeks in which the court was in session, there were no acquittals except three ordered by the court, and but one mistrial through failure of the jury to agree on a verdict.

Judge J. W. Woodrough of Omaha, comes today and will continue for two weeks the present Tulsa term of court. The first week will be occupied with the trial of criminal cases and the second week with civil trials and hearings. In an effort to clear the docket of the large number of cases, both criminal and civil, to be tried in the federal district court for eastern Oklahoma, Judge Williams has secured a special term at McAlester, beginning tomorrow at which Judge P. A. Youmans of Fort Smith, Ark., will preside.

## COMMEND CREDIT WORK

Retail Merchants Urge All Members  
to Co-Operate with 'Pay-Up-Week'

The board of directors of the Retail Merchants' association held their regular monthly business meeting this week in the office rooms following a 6.30 luncheon at the Y. M. C. A. and among other business transacted the merchants commended the work of their retail credit men in the matter of the "pay-up-week" campaign, which will be held in Tulsa on January 5 to 10, 1920.

In giving his opinion of the campaign, President W. A. Vandever said in part: "I am especially pleased that the pay-up-week committee has emphasized the fact that their campaign is not simply a collection scheme of the retail stores to get in some of their bad debts, but have already explained that it is a broader proposition than that. It is a campaign to benefit the community by putting money into circulation, which after all, is all that business is, just circulating money. The retail credit men's organization is not a collection agency, nor do they wish to make such an agency of any other organization. Individual whom they may ask to help in the campaign."

## THE FRANKLIN SEDAN

Considering its fitness to perform every enclosed car function and its disregard of climate, weather and roads, the Franklin Sedan stands today as the only all-purpose car built.

Light Weight and Flexible, it enables you to motor all day with ease over any road. Free from hammer and pound, jolt and jar, it does not fatigue rider or driver. It is easy to control and safe. It is cool and comfortable in summer, free from annoying toe-board heat, perfectly ventilated. It is warm in winter and gives instant protection whenever needed.

Direct Air Cooled, it causes no anxiety as to heat or cold. It carries no water to boil or freeze. Easy rolling, quickly responsive to the brake, yielding to the roads, it converts most power into miles, does not slide and slip and does not grind or hammer tires. The result is a nation-wide economy to owners of

20 miles to the gallon of gasoline  
12,500 miles to the set of tires  
50% slower yearly depreciation

And the Franklin Sedan leads in original sedan features. The Wide Observation Windows, the two Wide Doors which mean convenience and accessibility, and the V-shaped Slanting Windshield, secure an unequalled breadth of vision. Together with the sloping French-style Hood, they give outward distinction in addition to these obvious practical advantages.

Unless you are convinced that you have already obtained the utmost in motoring satisfaction, you will want a demonstration of this exceptional car. We will gladly show its performance over any road you say.

TOURING CAR—Franklin performance embodied in a Full Size, Five-Passenger Open Car. It is the most economical car of its type.

RUNABOUT—All the advantages of Franklin Light Weight Flexible Construction in a Two-Passenger Open Car.

FOUR-PASSENGER ROADSTER—A convenient, attractive car. Compact, yet having ample room for four.

BROUGHAM—A personal, enclosed Franklin Car, intimate when used by two, commodious when carrying four.
